

Directional/ Bullet Telescopic Risers (CBTRS Series)

CAST Directional/ Bullet Telescopic Risers - CBTRS Series

Description:

These sturdy telescopic risers utilize the Set-n-Stake® feature to attach to the stake. The existing fixture slides into the extension and is secured by a stainless steel thumb screw. Precisely machined brass inserts ensure extremely stable and secure telescopic risers even when fully extended.

Can be used with:

All Craftsman Spot Lights, CBL1CB, CBLED141, CBL5CB, CBAL1CB, CID140, CID248, CIDA140, CIDA248.

Directional/ Bullet Telescopic Riser Options:

- ▶ CBTRS611: Telescopic Riser 6" to 11"
- ▶ CBTRS1223: Telescopic Riser 12" to 23"
- ▶ CBTRS2345: Telescopic Riser 23" to 45"

*** Telescopic Risers are Special Order and Non-Returnable, please allow 5 days to ship.**
