

In Memoriam, Matt Wynn

As many of you already know, we received the sad news this past week of the sudden and unexpected passing of our friend and colleague, Matt Wynn. We are all still trying to process this loss.

Matt was a great man that touched everyone he met in so many different and positive ways. He had a genuine, fun-loving personality and we are all fortunate to have had the opportunity to work with him. Matt joined the CAST family first as an avid supporter of our products while working at Central Pump, and then we were lucky enough to hire him full-time to cover the Florida market back in 2016. His loss will be felt throughout the industry.

As a surfer and native Floridian to the core, I am sure he is riding Heaven's blue wave. Thanks, Matt, for being such a great person to work with, a super salesman, and one heck of a lighting designer. We will really miss you. Rest in Peace my friend. Our thoughts and prayers go out to his family during this most difficult time.
